THE OFFICIAL VISITOR GUIDE TO THE PASO ROBLES AREA.

Our guide will serve as a living, continually updating document that is distributed in both digital and print format. It is a multi-level approach to marketing your business which includes local marketing, statewide marketing, and even outreach beyond California.

How will we do this?

Our digital version will accommodate quarterly and annual advertising campaigns and will be promoted by distributing up to 60,000 display brochures that include a QR code to access the full downloadable document on our Paso Robles Chamber's tourism website.

Publishing the document on our Paso Robles Chamber tourism website will drive higher levels of traffic where tens of thousands of visitors will be able to view the guide as well as your other marketing materials such as banner ads, events, hot deals and news releases.

Our print version will be available in the official Paso Robles Visitor Center for pick-up or mailed by request.
